Gene Research Foundation

Greetings!

We are delighted to inform you that Dr. Agarwal Hospitals and Gene Research Foundation have successfully conducted INTERNATIONAL SOCIETY FOR STEM CELL AND GENE THERAPY- ISGCT annual meeting from November 3rd to 5th 2017 in Bangalore at the Indian Institute of Sciences.

For the first time in India a convention of this magnitude was held for Stem Cells and Gene Therapy where along with international faculty will be the most eminent scientists from DRDO, Amity University, IISC and many more. Eminent Stem Cell researchers like Dr Gerard Wagemaker (Netherlands), Dr Norman Brown (USA), Dr Paramjit Singh Dhot (LifeCells, India), Dr Mayurika Subodhkumar Tyagi, Dr B. N. Gangadhar (NIMHANS) and DRDO Chief Dr V. K. Saraswat are some of them to name a few.

Based on this overwhelming response and request form participants the management is pleased to announce the second convention to be conducted from 18th to 19th November, 2018 at NIMHANS, Bangalore.

Towards this we implore upon your good self to accept our invitation to be the delegate for the conference that is to be held in Bangalore. Kindly submit your abstract on our website www.isgct.in and also send us an e-mail at generesearchfoundation@gmail.com. The primary aim of ISGCT is to collaborate scientists, physicians and industry on one platform to evaluate the progress made in the field of Stem Cell and Gene Research, treatment and results.

At this juncture, we request you to recommend names of prominent scientists/physicians that you would like us to honor with a gold medal cum citation and a key note address. We also ask you to bring in faculty of your choice that can make paper presentations. We would also like eminent companies to exhibit their works by taking stall.

Kindly mail us your letter of acceptance for being a delegate/speaker at the earliest. For further details please log in to www.isgct.in.

Sponsorship are also invited

Thanking You
Yours Sincerely
Dr. Sunita Rana Agarwal
